ACTION ORGANIC MC-1000 Specifications

Organic Concentrated Neutral Multi-Purpose Cleaner Degreaser

- 1 Quart, 1 Gallon Jug, 5-Gallon Pails, 55 Gallon Drums and 275 Gallon totes.
- An advanced, biodegradable, hazard free organic chemical formulas.
- Water based mixture of anionic and cationic surfactants.
- 100% organic, bio-degradable, odor control, and a corrosion inhibitor included.
- A neutral multi-purpose cleaner degreaser with a PH level of 7.
- Foaming. Non-Foaming, scented (cherry) and non-scented.
- Very effective for cleaning septic tanks and bilges and may be used to clean all surfaces
- Recommended for all vehicles, water craft and air craft.
- Not harmful to enzymes.
- Delivered on pallets and in cases.

MC-1000 Organic Neutral Multi-Purpose Cleaner Degreaser is used for removing grease on all surfaces and laundry. There are no petrochemicals, no toxin and no citrus.

MC-1000 Cleaner Degreaser acts by penetrating between the dirt, grease or oil and the surface thus dissolving the bond which causes them to adhere. This allows their removal by simple rinsing. Use of a brush will enhance the ability of the product to clean. Severely encrusted dirt may require additional applications.
